This is the 4th DZAS event in Eastern Market! We average 200+ guests and 60 vendors for this event. Preference is given to vendors that are health/fitness related.

This event is organized by licensed Zumba® Fitness instructors who lead classes in the city of Detroit: Chandra Floyd, Marius Padieu, and Letitia Wesley. Zumba® is a cardio workout that uses Latin and international music to create a fun, bass thumpin' heart poundin' effective workout that can burn up to 1,000 calories an hour. For more details, visit Zumba.com.

The goal of this event is to encourage health and wellness in the city of Detroit. There are few gyms and fitness facilities accessible to the general public within the city limits, and this event is designed to spotlight those instructors and facilities, as well as to make fitness FUN and bring it to the community. This is the only event of its kind inside Detroit city limits!

NEW THIS YEAR!

The charity of choice for this event is the Michigan Anti-Cruelty Society (www.macsshelter.org). A portion of individual ticket sales will support their activities in providing refuge to stray, injured, and forgotten animals.
